Our Pledge

This price list reflects our commitment to provide information and a wide variety of options to those that we are privileged to serve. The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. **However, any funeral arrangements you select will include a charge for our basic services and overhead.** If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Our Commitment

There are many options available to you when planning a final event. We value the services that we are privileged to provide and will explain all your options so that you will be pleased with the services you are arranging. For your convenience, we have arranged a single charge for the basic services of our funeral directors and staff which includes, but is not limited to, the availability of our personnel 24 hours a day, 365 days a year to respond to your initial call, the arrangement interview, bookkeeping, accounting, and any general clerical administration fees. In addition, it provides any disposition permits necessary and the coordination of your service plans with all parties involved in the final disposition, such as the cemetery or crematory.

Floral Arrangements Provided by Third-Party Vendors

The funeral home is not responsible for the condition, quality, or delivery of floral arrangements ordered through outside vendors. Families are encouraged to coordinate directly with their chosen florist regarding all details and concerns. Any issues related to third-party floral services, including delays, damages, or substitutions, must be addressed directly with the vendor.

Our Care

Our service begins promptly when you call. We will arrange to bring the decedent into our care. We have itemized our charges for these services and will gladly discuss your options to ensure that you are comfortable with your decision.
